

# WE Med Lab Proficiency Testing Center

## 2020 – 2022 Price List

PTP  
No.0020

Each product price listed on these pages represent the price of the service for the entire year the customer subscribes to. That's already including 7% VAT and delivery for 2 or 3 cycles per year each product 2 samples per cycle.

Private shipping was included in the catalog. Additional charges for special services (e.g., custom packing, shipping outside of Country).

The following products in the table below must be ordered with the respective base products. (See more details in the list below):

- Add-on products
- Quality Evaluation product (QE)
- Additional samples (for whole blood glucose products)
